## Services

Services	Description	Price
Site Design	YB2U staff will provide phone, FaceTime and/or onsite review to recommend Yard Bar placement and any required prep work (ie: leveled area for Yard Bar) to compliment existing outdoor setup or implement a more complete outdoor transformation	Included w/YB Purchase
Site Preparation	Implement site design recommendation(s), this may include installation of Patio, Pavers and/or Crushed Stone, Firepits, Electrical Products and Services, etc..	Custom
Painting Service	Yard Bar will be painted with customer chosen (2) colors (additional colors add \$150)	\$700 (8'x5') \$900 (10'5')
Yearly Maintenance	YB2U will provide a yearly check-up on Yard Bar structural and aesthetic conditions, perform necessary touch-ups as needed. Will also consult and provide recommendations on how to best winterize your Yard Bar. **	\$250

\*= Customers may already have TV, Outdoor Speaker and/or other equipment, if so prices will reflect only those products or services needed. Those customers needing speakers, YB2U offers a choice between Sonos Era 100 or Sonos Ray speaker product.

\*\*=Included service will be limited to minor wear and tear touchups, however anything structural related that was not a result of negligent damage will be covered.
